5 > We Don't Say No

Regardless of market conditions, we will buy any property, in any condition, in any area.

6 > Straightforward & Transparent Service

Transparency is of paramount importance when buying your property. We will provide copies of all our research and surveys on request to justify our cash offers. We do not hide anything & take pride in making the process extremely straightforward.

7 > Flexibility

Many companies have very strict processes in place and as a result cannot offer flexibility to the vendor. We ensure we assess every purchase on a case by case basis to enable us to offer the right level of flexibility that the vendor requires.

8 > We are Insured for your Protection

Although we have never claimed on our professional indemnity insurance, we have the right level of cover to give you peace of mind. If you are not satisfied with any level of our service, we have the correct insurance in place should a claim be necessary.

9 > We are Members of The Property Ombudsman (TPO)

It is very important that if you plan to sell your property to a corporate entity that they are members of TPO Redress Scheme. If you have any issues with the service we offer, you are fully entitled to discuss it with a member of the TPO.

10 > Regulated

We are approved members of the National Association of Property Buyers.
